ANTHONY LO SURDO SC ADR WEBSITE LAUNCH

Anthony Lo Surdo SC of 12 Wentworth Selborne Chambers, a nationally accredited and advanced mediator and arbitrator, has created www.silkmediator.com.au in an attempt to deepen the public's understanding of alternative dispute resolution. The website aims to provide helpful information and insights into the various ADR processes together with articles, opinion pieces and other matters of interest; there is even a blog!

Speaking exclusively to *Lawyers Weekly*, Mr Lo Surdo said the educational ADR resources available on his website can help both lawyers and clients considering alternative dispute resolution to better understand the process.
